RE: Resignation

Dear Governor Hutchinson:

Please be advised that I recently undertook a new career opportunity that requires my family and I to relocate from Helena-West Helena to another part of the state. With our family's move, I can no longer serve as State Representative for District 12. Accordingly, I hereby resign my position as State Representative, effective at 5 p.m. today.

Please know it has been a privilege to serve with you to improve our state. It has been the highest honor of my professional career to represent my District in Little Rock. Arkansas is a wonderful place and I honestly believe our best days remain ahead of us.

May God continue to bless your efforts on behalf of the citizens of this great state.

With kind regards,

Chris Richey
State Representative
District 12
