Comments: Billy McIntosh stated he was told by a Judge in the county and some Police Officers that they did not have to wear masks at the Liquor Store and wanted me to show him where it was written masks are supposed to be worn. Mr. McIntosh said he is an American and has the right not to wear a mask. I told Mr. McIntosh if he wears a mask, he could keep someone from getting a virus that could kill them. Mr. McIntosh said me wearing a mask should be enough if it really works. No Masks being worn by staff some customers did have mask, but a large number did not. Not Screening employees.
